

HR Support Center

Many small businesses can't afford a full-time HR person. Owners and managers responsible for HR can spend up to 25 hours a month searching for HR answers.

Inaccurate or out of date information can result in costly penalties and litigation fees.

What if you had a HR Helpdesk to find the information you need? Accurate Data is offering the HR Support Center to provide the HR answers you are looking for in one convenient place, right on your computer.

Tools available to you in the HR Support Center

- Policy library & law alerts
- Job descriptions
- HR forms, documents and templates
- Employee handbook tools
- Resources covering employer laws including ACA, FLSA and FMLA.
- HR training for your employees
- HR tests to assess HR gaps
- Guides on popular HR topics
- A monthly newsletter to keep you up to date on changes in HR

Discover how the HR Support Center can help you quickly answer your HR questions and meet your HR needs.

If you would prefer to speak with an HR professional for your HR questions and problems, our **HR On-Demand** product is also available. It includes all the features of the **HR Support Center** with the added feature of live HR advice from a team of certified HR Advisors. You can have an HR Professional available to you without the expense of hiring one.
